£815

City and Guilds 3268 Welding - Levels 1, 2 & 3

Level 1

This is a practical, highly flexible course specifically designed to meet the needs of learners wishing to acquire welding skills at a beginner level.

Level 2

This is a practical, highly flexible course specifically designed to meet the needs of learners wishing to acquire welding skills at an intermediate level.

Level 3

This course will build on your existing knowledge and help you to acquire welding skills at an advanced level.

What will I study?

You will study the theory and practice of welding in one of the following:-

- Metal Inert Gas Welding (MIG)
- Tungsten Inert Gas Welding (TIG)
- Manual Metal Arc Welding (ARC)

What can I do after this course?

You can progress through each level of welding.

This qualification could be a useful further step towards various careers within the fabrication and welding industry.

Entry requirements

Level 1

There are no formal entry requirements but you will need a keen interest in developing welding skills.

Level 2

Successful completion of City & Guilds 3268 Level 1 or relevant previous experience.

Level 3

City & Guilds 3268 Level 2 or substantial previous welding experience at a Level 2 standard.

Assessment

Assessment is through practical assignments and a multiple choice examination.
