# Art, Design & Media

**START DATE**

September 2024

**DURATION**

1 year

**LEVEL**

Level 1

**STUDY MODE**

Full-time

**AWARDING BODY**

UAL Awarding Body

This creative and exciting pathway is aimed at broadening and expanding your specialist artistic art and design skills in areas such as drawing, design, painting, printmaking, surface design and digital applications. Working within a creative studio environment and IT suites, you will develop artistic knowledge, self-confidence, communication, time-management and presentation skills, resulting in a professional portfolio and body of work.

Exploring the work and ideas of other artists and designers is key to underpinning all assignment work and aiding independent idea generation and development. This course includes industrial links and live briefs to develop wider communication skills, team work, confidence, resilience and time management.

## What will I study?

Examples of some of the units / modules you may study are:

**Level 1**

- Exploratory Drawing and Mark Making
